Subject: Cultural Resources Training and Workshop, March 25-26, Sacramento

Cultural Resources training is scheduled in Sacramento at the Doubletree Hotel in conjunction with the Annual Meeting of the Society for California Archaeology (SCA). The training is designed for Field Managers and Cultural Resource Staff including Archeological Technicians.

On March 25th, an all day training session on Section 106 of the Historic Preservation Act and the CA BLM State Protocol Agreement with the SHPO is planned. Dr. Tom King will teach the portion of the training dedicated to Section 106. All Field Managers and their Cultural Resources staff, including Archeological Technicians, need to attend this training. This attendance is required to resolve an identified deficiency in our compliance with the terms of the Protocol Agreement.

In addition, the Cultural Resources staff will attend a one-day coordination session on March 26 on various issues including transition to a new state lead. The State Protocol Agreement directs the Cultural Heritage staff to meet yearly; attendance at both days will satisfy this annual requirement.

Rooms are available at the Doubletree Hotel at a government rate on a first-come, first served basis. The Hotel is located at 2001 Point West Way, Sacramento. **Make your reservations at 916 929-8855.** For those wishing to extend their travel to include the SCA meetings, a block of rooms has been reserved at the Hotel.

Please contact Stephen Horne at 916 978-4649 if you have any questions.
